Re: Docket # E-01345A-14-0113

Judge Jibilian;

This is to let you know that, while I know more months have gone by since you gave me as much time as I needed to rewrite my complaint in the above docket, I have not forgotten to do that.

As I wrote previously, I was delayed by writing a critique of the ADHS "smart" study. Then I had to write my appeal of the ACC's 12/12/2014 extortion fee decision. Currently I have been reviewing some 5,840 pages of emails I obtained via a public records request to the ACC, the ADHS and the ARRA. Additionally, my progress has been slowed by caring for my wife who has become seriously ill.

Again, I appreciate the open ended time limit you have given me and I will be working on the complaint rewrite as soon as possible.

Sincerely,

Warren Woodward
